

SHAKESPEARE'S EDUCATION

*How Shakespeare
Learned to Write*

KATE EMERY POGUE

I want to thank my family for their patience and encouragement, especially Joan, to whom this book is dedicated, and my niece, Daisy Hagey, who was kind enough to proofread the manuscript.

And most of all, I am grateful to Mike McClory. The book would not be what it is without his profound understanding of the tangled history of the English language and his insightful, painstaking editing.

Kate Emery Pogue
